

Hong Kong Community College
Learning and Teaching Quality Committee

Terms of Reference

1. Promote and ensure a quality culture in HKCC.
2. Recommend, review and evaluate policies regarding learning and teaching quality and support the academic divisions and General Office in implementing these policies.
3. Help students learn how to learn.
4. Monitor the progress and quality of teaching development projects and report to the Director on such progress.
5. Share good teaching practices by organising seminars, workshops and sharing sessions.
