

PolyU CPCE

PolyU HKCC
offers AD & HD Programmes

CPCE
“2+2”
Pathway to PolyU
Accredited Degrees

PolyU SPEED
offers Top-up Honours Degree Programmes

The CPCE “2+2” Pathway to PolyU Accredited Degrees refers to HKCC graduates articulating to SPEED’s 2-year full-time top-up honours degree programmes leading to PolyU-SPEED awards. Other 4-year part-time top-up honours degree programmes leading to PolyU-SPEED awards, and 2-year part-time top-up honours degree programmes leading to overseas awards are also available.

FT = Full-time / PT = Part-time

¹ The offering of any programmes or courses above is subject to annual review.

² Additional selection requirements may include satisfactory completion of admission tests (e.g. language-related tests), satisfactory performance at interviews as well as other requirements deemed necessary by SPEED. Besides, admission is subject to the availability of places at SPEED.

³ This programme is the related discipline for the “Health Services Management” specialism only.

⁴ This programme is subject to approval by PolyU by mid-2017.

⁵ Only students who have completed elective subjects “CCN2167 Bilingual Communication” and “CCN2215 Translation for Business Communication” and obtained Grade C+ or above in both subjects will be considered as from related disciplines.

⁶ Only students who have completed elective subjects “CCN2172 Foundations of Linguistics” and “CCN2168 Chinese for Business and Administration” and obtained Grade C+ or above in both subjects will be considered as from related disciplines.

⁷ For Associate in English for Business Communication and Associate in Public Relations and Communication, students who have not fulfilled the requirements as stated in notes 5 and 6 above will be considered as from unrelated disciplines.

Remark:
Some PolyU-SPEED award programmes require students who do not have prior knowledge on specific subject areas to complete relevant foundation subject(s) on top of the basic programme requirements after admission. Please refer to www.speed-polyu.edu.hk/upload/CPCE-articulation-pathways.pdf for the foundation subject requirements of PolyU-SPEED award programmes as well as the mapping of HKCC subjects with SPEED foundation subjects.
