Director's Message

Dear Industry Leaders,

Hong Kong Community College endeavours to collaborate with industry leaders on implementation of the Work-Integrated Education (WIE) programme with the aim of nurturing professionals for different industries. We believe this partnership will prove mutually rewarding to you and to our students.

On the business front, companies which provide internship opportunities for students not only can demonstrate a sense of social responsibility and create goodwill for their organisations, but also have access to students of different disciplines, thus allowing them to nourish and identify future talents.

On the student front, interns who are assigned to different companies could apply theories to real-life situations and gain invaluable work experience so as to better equip themselves for future challenges.

HKCC's WIE programme is designed with enough flexibility. It could either take place during the semester or in summer break. The duration of internship could also be tailored to meet the needs of industry partners.

This booklet serves to introduce our potential industry partners to the concept of the WIE programme and outline how it has been implemented at HKCC.

If you are interested in collaborating with us or have any questions, please contact me or our Programme Officer (Work-Integrated Education).

Simon Leung, PhD
Director

What is Work-Integrated Education (WIE)?

Work-Integrated Education (WIE) is "work-based learning experiences which take place in an organisational context relevant to a student's future profession, or the development of generic skills which are valuable in that profession." Through internships in a variety of organisations, students are able to apply theories learnt from college to practical workplace, and develop better all-round attributes and generic competencies.

甚麼是企業實習教育 (WIE)?

企業實習教育為學生提供在機構實習的機會，汲取工作經驗，從而增進與修讀課程相關或有助未來事業發展的知識。通過不同類型的實習，學生能夠將學校裡學習到的理論應用到實際的工作環境中，並發展各種技巧和能力。
WIE in HKCC

With the mission of offering quality professional-based programmes and nurturing all-round students, HKCC makes WIE a mandatory component of the Higher Diploma Programmes and an elective component of the Associate Degree programmes.

Types and Duration of WIE

The WIE programme can either take place in summer from June to August or during the semester on a part-time basis. The duration of WIE activities varies from programme to programme. The programme length and work schedule for our student interns can be mutually decided by Industry Partner and the College.

Frequently Asked Questions
常見問題

1. What kinds of work assignments are suitable for interns?

Work assignments can be decided based on companies’ needs as well as the skills and knowledge of the potential candidates. Work assignments can take the form of projects or operational tasks which help students advance their professional competencies, or develop generic and operational skills which are valuable to their future career.

哪一類型的工作適合實習生?

學院可以根據機構的需要以及實習學生的技能和知識而作出安排。有關工作可以是特定或臨時的工作項目，或一般辦公室職務，以協助學生提升基本和專業技能，有助未來事業發展。

2. What types of skills can we expect from interns?

You can specify the requirements in terms of both professional skills and soft skills in the recruitment request and indicate your preference for students from a particular Higher Diploma or Associate Degree programme if applicable. Meanwhile, we can help identify the appropriate candidates for you during the screening and shortlisting process.

實習生擁有甚麼知識和技能?

你可以在招聘要求中明確列出實習生需要具備的專業知識和技能，並指明希望招收哪一個高級文憑或副學士課程的學生 (如適用)。同時，學院可以根據你的要求初步甄選合適的學生。

3. What is the appropriate level of compensation? What about insurance and MPF contribution?

Compensation and/or benefits are solely at your discretion. You are welcome to give a training allowance or wages to cover the basic expenses such as meals and transportation of interns.

All HKCC interns are covered by the Group Personal Accident (GPA) insurance policy provided by HKCC. Normally, it is not necessary for a host organisation to contribute MPF for HKCC students taking work placement unless a bona fide employer-employee relationship is established and the employment contract is no less than 60 calendar days. For details, please refer to the official website of Mandatory Provident Fund Schemes Authority: http://www.mpfa.org.hk/eindex.asp.

適當的津貼是多少？保險和強積金又如何安排？

津貼和福利由合作機構自行決定。我們歡迎合作機構為同學提供津貼，以應付膳食和交通等基本開支。

所有香港專上學院的實習生都受到學院團隊個人意外保險的保障。一般而言，除非合作機構與學生訂立正式的僱傭關係及合約期間超過 60 天，否則合作機構無需為同學支付強積金供款。詳情請瀏覽強制性公積金計劃管理局網頁: http://www.mpfa.org.hk/。
4. What is expected from host organisations?

Host organisations are expected to plan the internship and select work assignments which offer students learning opportunities beyond the classroom. Meanwhile, they are expected to provide a safe work environment, and supervision throughout the internship process. At the end of the internship, the host organisations are responsible for evaluating students’ performance, issuing reference letter/certificate to students with good performance, and offering feedback to HKCC.

5. Can I withdraw from the programme?

The final decision on the selection rests with you. You can withdraw if you find no suitable students for the position(s) that you provide.
