Re : [For attention] (i) Academic Integrity and (ii) Disable Access to Moodle Materials for the Subject during Examination

Dear Students

Academic Integrity and Academic Honesty

Academic integrity is central to the mission of HKCC, and students are expected to adhere to high standard of academic integrity in all assessments. The College views any violations of academic integrity a serious disciplinary offence because it seriously undermines the value of the teaching and learning of the College.

The College and the CPCE Student Discipline Committee will take disciplinary actions ranging from downgrade of subject result to expulsion for a specified period or indefinitely against students who are found to have committed academic dishonest.

You are thus advised to read through the [Student Handbook](#) and [Guide to Examinations](#) carefully to familiarise yourself with the rules and regulations of the College and comply with them.

Disable Access to Moodle Materials for the Subject during Examination

To follow the practice of PolyU, student access to all Moodle online materials of a subject will be blocked during the period when the examination of that particular subject is being conducted. For example, if subject A is scheduled for examination on 7 August 2019 from 6:30 pm to 9:30 pm, then student access to the Moodle online materials of that particular subject will be blocked during the afore-mentioned hours.
